SENIORS

Our Gang, The Senior Class of 1986, started preparing for our final year with senior portraits taken in August. The Gang started school and immediately prepared for graduation by ordering caps and gowns. The Gang sponsored the Sadie Hawkins Dance this year. They also participated in Homecoming, Snowball, and Prom. The Gang earned money for the senior trip by selling Country Shopper items.

After graduation some of the Gang went to work, while others went to college. Our Gang's times at SHS will prove very beneficial to the school and ourselves.

Tonya looked for grad. date.

Kim, Dwight, Chad, Mike, posed while waiting.

Joel, Bob, Craig, and Richard admired John's new nose.

Gretta, Brent, and Jim sold raffle tickets for the student council.

FROM FRANCE TO S.H.S.

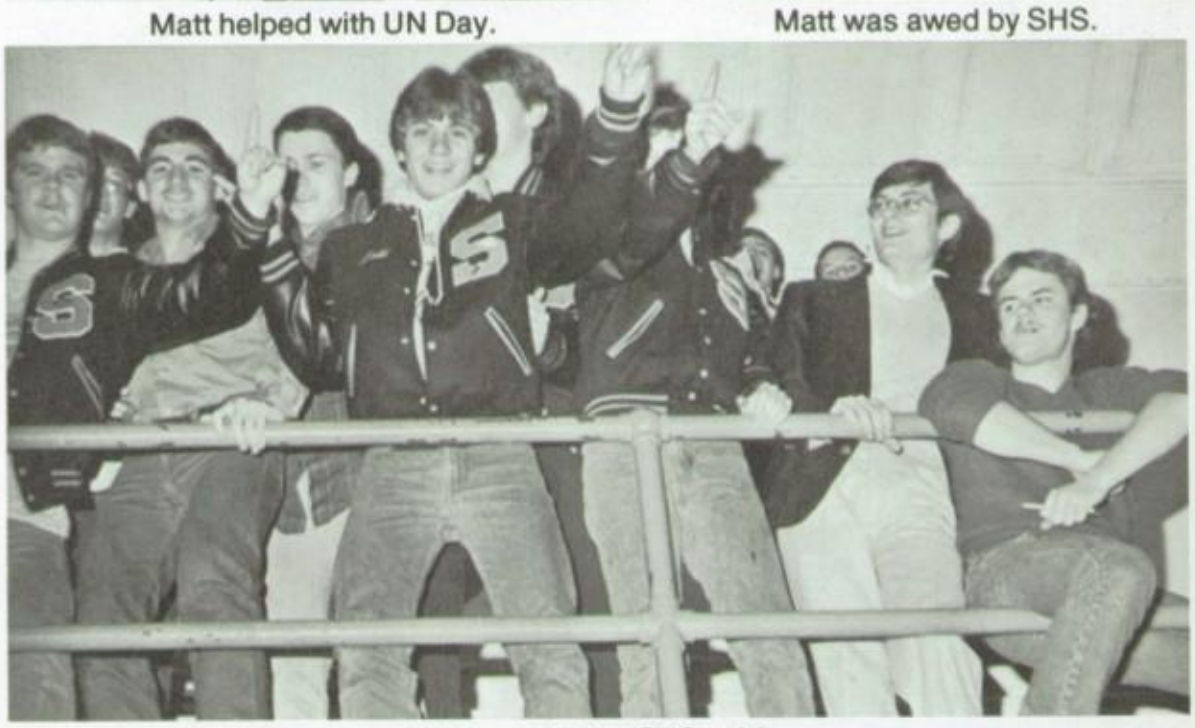
MATHIEU CASTAGNET, 18, of Paris, France was an exchange student at S.H.S. Mathieu, the son of Michel and Catherine Castagnet, has one brother and one sister. While attending S.H.S. he stayed with Neal and Barbara Michaels.

His favorite classes were computer math and driver's ed. Mathieu enjoyed working with the computers. He liked driver's ed. because in France one must be 18 years old to have a driver's license and all French cars are standards. He also liked the food at S.H.S., especially the pizza.

Some differences he noticed in the schools were that the students at S.H.S. were freer to talk with their teachers which he believed was advantageous. Students at S.H.S. can choose their classes while in France one chooses a vocation and is assigned classes. In France classes are scheduled by the week, not by the day. French schools are just for learning; they have no dances, class rings, or sports of any kind.

Matt helped with UN Day.

Matt was awed by SHS.



Matt caught the SHS spirit.

Matt, a Jr. Fireman, sold balloons at x-mas parade.

Matt and friends enjoyed lunch.

Matt watched the game.

JUNIORS

The junior advisors helped in coordinating two successful fund raisers, the selling of Christmas ornaments and gift accessories, to aid in funding the Jr.-Sr. Prom. The Prom was held April 11 at the Elk's Lodge Hall with a theme of "Now and Forever."

Our gang has gone through many changes during our sophomore year at S.H.S. Our advisors, Mrs. Gellner, Mrs. Fitzsimmons, Mr. Thorn, and Mr. King helped us as we worked on maturing and becoming more responsible. They also supervised the sale of Country Kitchen Treats to begin raising money for prom and the sale of Fall Bulbs which raised money for our big project, the homecoming dance. The dance was considered a great success by many who attended. It truly was "A Night to Remember."

SHS teachers were honored with a banquet sponsored by town banks and merchants.

Sistersville High School was chosen as a West Virginia Exemplary school for 1986. The aspects that SHS possessed to receive this great honor were meeting the needs of its students, having high expectations for students, providing good learning climates, and placing high emphasis on academics. Other qualities that were considered at SHS were teacher efficiency, administrative leadership, and community support and involvement. The student and faculty committees were very much involved in the improvement process at SHS but student and teacher excellence are what made SHS exemplary.

Mr. Stombock, Mrs. Dillaman, and Mr. Heinlein talked about improvements that could be made at SHS. Mrs. Morgan, Mrs. Summers, Mr. Cavezza, Mr. Dober, and Mr. Daquilante were also members of the Faculty Improvement Committee.

Students anxiously waited for lunch to be served.

Nancy,
I did a lot of yelling but aren't you glad since it ended up with you doing such a fine job on your yearbook. Sure hope that luck is with you in whatever you do in the future. Remember to have confidence in yourself because you do have what it takes to make it and keep that cute ornery nature you have.
Be Happy!
